1. If elected, how would you proactively and consistently engage with Caribbean-American constituents, groups, local leaders, and organizations in your constituency?

Prioritizing outreach in parts of Prince Georges County that is populated by mostly Spanish speakers.

Priorizando la divulgación en partes del condado de Prince George que están pobladas mayormente por hablantes de español.

2. How would your office address barriers Caribbean immigrants face when accessing public services such as healthcare, safe, affordable housing, education or social programs that disproportionately affect them?

Support initiatives like DACA that protect our local immigrant population.

Apoyar iniciativas como DACA que protegen a nuestra población inmigrante local

3. How do you ensure culturally responsive services for Caribbean-American residents across agencies (e.g., health, education, law enforcement, etc.)?

With my time as a state employee, I have experience working alongside Caribbean-American residents and I have an understanding to their needs within agencies.

Durante mi tiempo como empleado estatal, tengo experiencia trabajando junto a residentes caribeño-estadounidenses y tengo una comprensión de sus necesidades dentro de las agencias

4. What initiatives will you lead and/or support that benefit Caribbean American small business owners and workers, particularly in industries where they are heavily represented?

I support local small business and prioritize trade workers in our community. As a local president of the E-board, I have been a part of negotiations for higher wages that directly impact public service employees, majority being Caribbean American

Apoyo a las pequeñas empresas locales y doy prioridad a los trabajadores de oficios en nuestra comunidad. Como presidente local de la junta ejecutiva, he formado parte de

negociaciones para salarios más altos que impactan directamente a los empleados del servicio público, la mayoría de los cuales son caribeño-estadounidense

5. What support would you provide for Caribbean-American students and parents, including language assistance and help navigating the school system?

I support Spanish being a part of the curriculum in our public schools, as it is our second native language.

Apoyo que el español forme parte del currículo en nuestras escuelas públicas, ya que es nuestro segundo idioma nativo

6. How would you advance partnerships with Caribbean-American community organizations to promote mental health, chronic disease prevention, or other wellness initiatives?

I often participate in local health fairs, these fairs teach our community what health benefits they are entitled to.

A menudo participo en ferias de salud locales; estas ferias enseñan a nuestra comunidad a qué beneficios de salud tienen derecho.

7. How will you build trust and conduct robust oversight on local, law enforcement to protect the rights, security, and safety of Caribbean American residents?

I do not support our local enforcement working in tandem with ICE. I supports the rights of our local residents no matter their status and I will work hard to protect our community.

No apoyo que nuestras autoridades locales trabajen en conjunto con ICE. Apoyo los derechos de nuestros residentes locales sin importar su estatus y trabajaré arduamente para proteger nuestra comunidad

8. What programs, funding opportunities, or policy efforts will you champion that are aimed at improving outcomes for Caribbean-American communities?

I am running on protecting our most vulnerable citizens in our community no matter their origin. Whether that is protecting our seniors and their benefits or our children. Making sure their are programs in schools that give them opportunities for their future.

Estoy postulando para proteger a los ciudadanos más vulnerables de nuestra comunidad, sin importar su origen. Ya sea protegiendo a nuestros adultos mayores y sus beneficios o a nuestros niños, asegurándome de que existan programas en las escuelas que les brinden oportunidades para su futuro
